

East of England 2016

PD (1) A. JD (3,1a) 1 Coulman-Hole's Faynad Fifty Shades, a lovely class to start. Lovely head & eye on this young dog. Excellent teeth, good neck & well laid shoulders. Super topline. Tended to straighten in stifle at times but went freely, needs to tighten in front movement, but has plenty of time, very promising;

2 Pearson's Grangeview Walkabout In Oz, big r/f, well proportioned with plenty of bone & substance. Not cooperating with his handler, unfortunately so difficult to assess movement. Large well shaped skull, still a little slack & wrinkled over eyes. Excellently constructed when standing with level topline & good angulation fore & aft, liked him a lot.

GD (0). PGD (1) 1 McKeivitt's Glaciers Edison The Inventor at Tyketarn, impressed immediately as a big well made dog, strong head, arched muscular neck, firm topline with well laid shoulders, deep chest. At 2 years is still maturing. Excels in bone & substance & moved powerfully if somewhat ponderously.

RCC. LD (2) 1 Zadeh's Faynad Frankincense, lovely dark brindle who impressed in overall size, made up of bone & muscle with no looseness. Small dark eyes, showing no haw. Good length of neck & body, firm loin, strong quarters & pasterns, good angulation & powerful movement. CC & BOB;

2 Manfredi's Templar's Archangel for Prixcan, lighter brindle of very good type, not quite the angulation of above but impressed in head & overall balance. Well bodied, ribs deep & long. Good topline & easy movement.

OD (2,1) 1 Zadeh's Faynad Ethelred, substantial apricot/f with huge square head, would like a tighter eye. Good neck & impressed for overall soundness of make & shape. Excels in topline & hind angulation, terrific bone & substance. Moved true enough but would like a bit more drive. VD (0).

PB (3) 1 Phillips' Nobleheart Coco Chanel, 3 lovely bitches. Lovely head & expression, tight eye, correct length of muzzle. Good neck & elbow placement. Strong pasterns & feet. Good topline & bend of stifle giving good drive. Sound mover for age. BP;

2 Baxter's Penhallian Away Like A Lilty, bigger, taller bitch with good head. Not the angulation of winner but has a good topline & strong quarters. Nice bone & body & moved OK; 3 Harding's Mulaloo Midnight Moonbeam, very pretty 6 months baby, loved her head & expression. Needs a bit more length of front leg to balance as she tended to stand bum high but has loads of time to level up. Super quarters & sound in movement.

JB (1) 1 Herring & Dodd's Faynad Annie For Ya Nanny by Heffalump, pale fawn, clean well proportioned head, not over wrinkled. Very good forehead & nicely arched well muscled neck. Excellent bone & substance. Does have enough hind angulation but tended to straighten at times, moved freely. Just out of puppy & is very promising.

GB (1) 1 Phillips' Chevelu Christmas Secret, gorgeous bitch just out of junior. Excellent head & eye. Neck well set on strong & muscular, well laid shoulder & elbow placement, good depth & spring of rib. Broad croup & muscular thighs. Just needs to finish as she is going on. RCC. PGB (0). LB (3,1) Two

very different types. 1 Harding's Sando's Sophistication at Mulaloo, this bitch gave me a problem, I didn't like the over wrinkling on the head but her eyes were tight & clean. However her construction & movement were excellent, especially coming to & going away, I couldn't have asked for better, she was superb in both departments;

2 Zadeh's Faynad Black Rose Brindle, litter sister to the DCC & looked so very similar. Again, dark brindle, lovely clean head & eye. Not giving her best when pulling sideways on the move & not the return of elbow of her brother but a quality bitch of good type.

OB (3,2) 1 Harding's Ch Mulaloo Midsummer Magic, mature bitch of excellent type. Handler had to work hard to get her interest but when on her toes went very well & showed herself to be soundly constructed. Lovely head & eye, excellent mouth with big white teeth. Enough wrinkle, very good width & depth of body, level topline with good wrinkle of croup, nice bend of stifle. Moved soundly with good extension. CC. VB (0).
